

Mrs. Sarah Ellen MCKAY

ABOUT ME

I have been teaching at TCA for eight years, and this is my second year with the upper school children. I graduated from Wofford College with a degree in Business Economics. I live locally with my husband and our two daughters. In my spare time, I can be found watching my older daughter on stage or my younger daughter on the ball field. I love teaching and inspiring young minds to solve problems and think creatively. I cannot wait to see you soon!
