

hello

My name is Ms. Macy

Welcome to 3k,

My name is Macy Davis. I will be your child's 3k teacher this year. This is my first year teaching at TCA but my oldest child has been in school here since she was in 3k and now my youngest will be attending this year. I went to school here as well from Kindergarten through 8th grade, so my heart has always been a part of this school! I look forward to meeting all of your kid's sweet faces and having a great year together!
